

**CITY OF SAN DIEGO  
COUNCILMEMBER SHERRI S. LIGHTNER  
DISTRICT ONE**

**MEMORANDUM**

DATE: April 24, 2009  
TO: Allison Sherwood, Environmental Planner, Development Services  
FROM: Councilmember Sherri S. Lightner  
SUBJECT: Request for extension of public comment period for Children's Pool Draft EIR

---

The Development Services Department issued a Public Notice of a Draft Environmental Impact Report (EIR) for the La Jolla Children's Pool on March 23, 2009 with a 45-day comment period scheduled to end on May 7, 2009.

The Draft EIR was not made available on the City of San Diego website until April 7, 2009. Additionally, the technical appendices are not yet available on the City website.

In response to community concerns that these documents have not been widely available and accessible to the public, I am requesting an extension of the public comment period for 45 days beginning on April 7, 2009 and ending on Friday, May 22, 2009 to give all interested parties adequate time to review both the Draft EIR and its accompanying technical appendices.

I am also requesting that the complete technical appendices be posted online by next Monday, April 27, 2009 to give the public adequate time for review and comment on these appendices.

If you have any questions, please contact my chief of staff, John Rivera at (619) 236-6611.
